503-754-5831 • natepjensen@gmail.com

Nate Jensen is a children's book illustrator, animator, 3D modeler, augmented reality designer based in Portland, OR. For the past three decades, he has worked professionally creating art for children with children's books, activity books, school visits, educational animation and web design. Nate is passionate about the education of children. He has the experience, the tech savvy and the strong work ethic to be an asset to the team creating today's digital educational media. His work is on time, on budget and excels in quality.
